Order No. 3137 . Dt. 31/07/2024

Implementation of Mentor-Mentee Arrangement

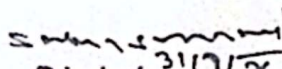

All students are hereby informed that the Department of Chemical Engg. has implemented a Mentor-Mentee arrangement for the current academic session 2026-27. Each student is assigned to a faculty member who will act as their mentor. The mentor will provide academic guidance, monitor attendance & performance, offer personal & career counselling and support the overall development of the student.

Students are required to cooperate fully with their assigned mentors and attend scheduled mentoring meetings regularly. The details of mentor-mentee allotment are attached herewith

This arrangement is introduced to enhance the academic progress, discipline and student support services.

For any clarification, students may contact the chemical department.
